

MANAGEMENT STRUCTURE:

The National working group on Vocationalisation of education (1985) recommended for setting up of well-knit management system to effectively implement vocational education programme. Adequate management infrastructure is being set up at National, Regional, State, District and Institution levels for carrying four categories of functions:

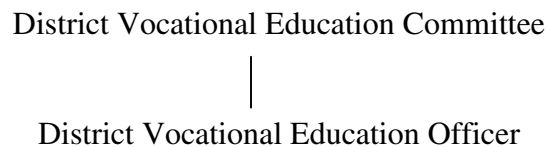

01. Policy formulation and co-ordination.
02. Administration and Supervision
03. Research and Development.
04. Examination and Certification

Management Structure

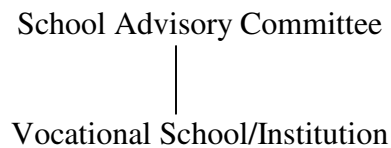

District Level

Institution Level

As recommended by the National working group on Vocationalisation, the State Government of Andhra Pradesh created the following management structure at State, District and Institution level.

i. Policy formulation and Coordination:

At State level, State Council for Vocational Education (SCVE) is constituted vide G.O.Ms.No.16, dated 20.01.1993 with Chief Secretary as Chairman, Secretary to Higher Education Department as Vice Chairman and the Commissioner, Intermediate Education as Member Secretary with 20 other members. However the 1st meeting of SCVE is yet to be convened.

- a) At district level, the District Vocational Education Committee (DVEC) have been constituted for all 23 districts for coordination between various departments at district level for School Industry linkages, placement of Vocational passouts, self employment opportunities etc. The District Collector will be the Chairman and the District Vocational Education Officer (DVEO) will act as Member Convener.
- b) At the Institution level, the school advisory committees will look after the Vocational Education Programme.

ii. Research and Development (SIVE)

To provide academic support on matters relating to Vocational Education, SIVE is constituted vide G.O.Ms.No.253, dated 9.7.1991 in the office of Commissioner, Intermediate Education with the following staff:

Professor	:	1
Readers	:	3
Lecturers	:	3
